

ExLibris Q&A

ANZREG Conference 2017

Product

Cloud Operations

Product Version

PCI

Question

We are concerned about the ongoing instability of PCI – at the moment we are led to believe that there is only one PCI instance and that is held in North America -- what are Ex Libris plans to introduce another instance in another data center to improve availability?

Product

General / Strategic / Cross-Product

Question

What assistance will Ex Libris provide to Alma institutions in transitioning internal to external users? Will this be a fee-based service similar to what was done to transition Voyager Classic WebVoyage to Voyager Tomcat WebVoyage?

Product

General / Strategic / Cross-Product

Question

What process can we set up to include local/regional requirements into product development?

While the Ideas Exchange and the NERS process are good -- the number of votes to get ANZ regional requirements prioritised is not possible when compared to the North Americans and Norway (BIBSYS)

Product

General / Strategic / Cross-Product

Question

What are Ex Libris plans in the Alma Repository area?

Is Ex Libris also looking at moving into the CRIS (Current Research Information System) space?

Product

Knowledge Base

Question

Would you be able to provide an update on the KBAB – in particular the merger of LINK 360, PCI and the Alma Community Zone?

Product

Alma

Question

It was announced at IGeLU 2016 that Libraries Australia authority headings would be included in the community zone by the end of 2016. They are not yet in the community zone.

Is there a new planned date?

Are there other enhancements to the Authorities Control Task List planned?

Product

Leganto

Question

There was an email to ANZREG-L on 29 March from Amanda Healy with the subject line "Ex Libris Alma and Leganto Now More Tightly Integrated with CLA's Digital Content Store".

Will there be access to the UK content store for institutions outside of the UK ?

Or a Leganto Central like Primo Central ?

Or a Leganto Community Zone ?

We only need one.

Product

Primo / MetaLib

Question

what are Ex Libris long term goals in relation to the ongoing Primo Back Office optimization?
