IGeLU User Group Update

Fiona Burton

IGeLU Steering Committee member

IGELU : The International Group of Ex Libris Users

- ″ IGeLU provides an open and transparent organisation for users of all Ex Libris products.
- ″ IGeLU promotes the exchange of information among institutions that use Ex Libris products in order to enhance their library services by sharing information, documentation, and resources.
- ″ IGeLU represents the user community in dealings with the vendor, Ex Libris.
- ″ IGeLU is the successor organisation of ICAU and SMUG.

- ″ More information available at:
  http://igelu.org/files/webfm/public/documents/steering_committee/IGeLU_registration_form.pdf

Regional Product Working Group members (cont)

˝ **Interim Primo PWG**

˝ Tom Ruthven

˝ University of New South Wales

˝ Aim to add regional representatives to other groups as vacancies become available

Activities . Helsinki conference
http://igelu2009.org/

Activities

- ˝ Pivotal feedback
- ˝ Aleph collaborative testing . 2009
- ˝ Universal Resource Management tool (new ILS replacement)
- ˝ task forces / focus groups for MetaLib, Digitool and CKBs
- ˝ focus group regarding e-books back office management

Thanks

- Thanks to Simon Huggard, Interim IGeLU Steering Committee Member, 2007 . 2008, and previously EndUser President and Board Member
- His wonderful work has greatly increased the prof ile of our regional group in IGeLU (please give him a round of applause)

Contact me:

I am still working out :

″ What the IGeLU Steering Committee does and what my role will be

″ What IGeLU means for the region

″ What we can do to be involved

So if you have any ideas, concerns, please contact me:
