

IGeLU is a non-profit organisation, with its official headquarters based at the University of Siena, Italy. It is a volunteer organisation, and we rely on active participants from member institutions, willing to give their time to keep IGeLU running.

IGeLU Activities

- Product Development Collaboration Agreement
- Product Working Groups (ALMA, Primo, etc)
- Special Interest Groups (Linked Open Data, Interoperability, Analytics)
- Annual Conference (2017 St Petersburg, Russia)
- Enhancing the NERS enhancement system

IGeLU Activities

- Steering Committee Face-to-Face Meetings directly with Matti, CEO Ex Libris in March 2017 and again at the Annual Conference in September, 2017
- Work with ELUNA (Ex Libris User's North America) and the 30 other independent National and Regional User Groups
- Run the NERS enhancement process
- Annual Conference (St Petersburg, Russia in September 2017)

IGeLU Activities

- Involved in supporting the PWG coordinator – for example the ALMA UX project
- Creation of the new SIWG to deal with Analytics
- Creation of the PWG for Leganto
- Involved in supporting the Primo coordinator – in particular the Alma/Primo back office optimisation project
- Alma Authentication Focus Group

12th IGeLU Conference

- conference starts Monday 11th September and finished on Wednesday 13th September
- There will be a Developers Day on the Thursday 14th
- Hosted by **National Library of Russia**

IGeLU Organisation – My Role

- Voyager Product Working Group Liaison
- Alma Product Working Group Liaison
- Primo/MetaLib Product Working Group Liaison
- Interoperability Working Group Liaison
- Linked Open Data Working Group Liaison
- Analytics Working Group Liaison
- IGeLU Documents infrastructure
- Conference App developer
