

# ELUNA 2018 feedback

Ebe Kartus and Sue Harmer

## ANZREG 2018

- ELUNA 2018 - Opening session

# ELUNA 2018 Developers Day

- Demonstrates an engaged developer community:
  - Sharing knowledge and building relationships between institutional and Ex Libris developers
  - Strong focus on interoperability
- Mixture of mostly Alma and Primo lightning talks and longer presentations
- [Program](#)
- [Ex Libris Standards Dashboard](#)
- Primo Studio

# ELUNA 2018 Conference

- Opening Keynote by Marshall Breeding: *The Academic Library Tech Industry Transformed*
- [Program](#) included 140+ customer sessions and 230 speakers
- There were presentations held on nearly all Ex Libris products:
  - Alma, Primo, Primo VE, Summon, Leganto, Esploro, Voyager, Aleph, SFX, Rosetta, campusM
- ProQuest's RefWorks and Pivot are now in the Ex Libris stable

- Spokane Falls - the second largest urban waterfall in US

# Experience as a First Timer

- 39% of attendees were “first timers”
- Special events for first timers:
  - ELUNA First Timers Breakfast
  - ELUNA 101 Session
- North American customers recognise and appreciate our work (UNSW and ANZREG)

# Ebe's top picks

- GRIMA: Whispering in Alma's ear with APIs  
<https://github.com/zemkat/grima>
- Resource Sharing: Local, Regional, National, and Global  
[https://knowledge.exlibrisgroup.com/Cross\\_Product/Conferences\\_and\\_Seminars/ELUNA/040ELUNA\\_2018](https://knowledge.exlibrisgroup.com/Cross_Product/Conferences_and_Seminars/ELUNA/040ELUNA_2018)
- Meeting up with other committee members
