- University of Minnesota

ExLibris

The European Early Adopters – 10 libraries

Free University Bolzano	Italy
Imperial College	UK
Lancaster University	UK
University of Manchester	UK
Plymouth University	UK
University of Salford	UK
University of Sheffield	UK
University of East London	UK
University of York	UK
Silesian University	Poland

European program status

- Kicked off last July 2012, followed by additional F-2-F meeting in January, 2012

- Focus on regional requirements – integration with British Library systems, regional copyright requirements, integration with regional institutional systems, etc.

- First group – University of East London and Bolzano planning to commence implementation in March 2012

Common goals and objectives

- Develop installed base of Alma customers across all regions

- Ensure Alma supports mandatory regional requirements to ensure competitiveness

- Engage with a diverse set of customers to build out Alma roadmap

- Build out regional and local expertise in Alma

- Develop quality implementation programs and services

ExLibris

Let's take a look

THANK YOU!
