Primo PWG Activities

New UI

- PWG and Ex Libris will organise further hackathons
- Top priority for the PWG as enhancement process is difficult with two UIs
- Driving Innovation through Collaboration

<http://www.resources.exlibrisgroup.com/opendiscovery/>

Primo PWG Activities

Primo Alma BO Integration

- Integration of Primo into Alma BO
- Presentation from UWA

Primo PWG Activities

Primo Central Issues

- The issues with Primo Central are being investigated and solutions sought

Primo PWG Activities

Primo NERS

- No final list for 2016, still under discussion with Ex Libris
- 2017 enhancements being finalised for voting

Primo PWG Activities

Primo Public Services Subgroup

- Ex Libris approached the ELUNA and IGeLU regarding Primo Central and Summon Indexes
- Deduplication, display, search, delivery and linking characteristics
- Kathy Varbadian (ELUNA) and Annette Schryver (IGeLU)

Primo PWG Activities

Thank you!
