Support Manager

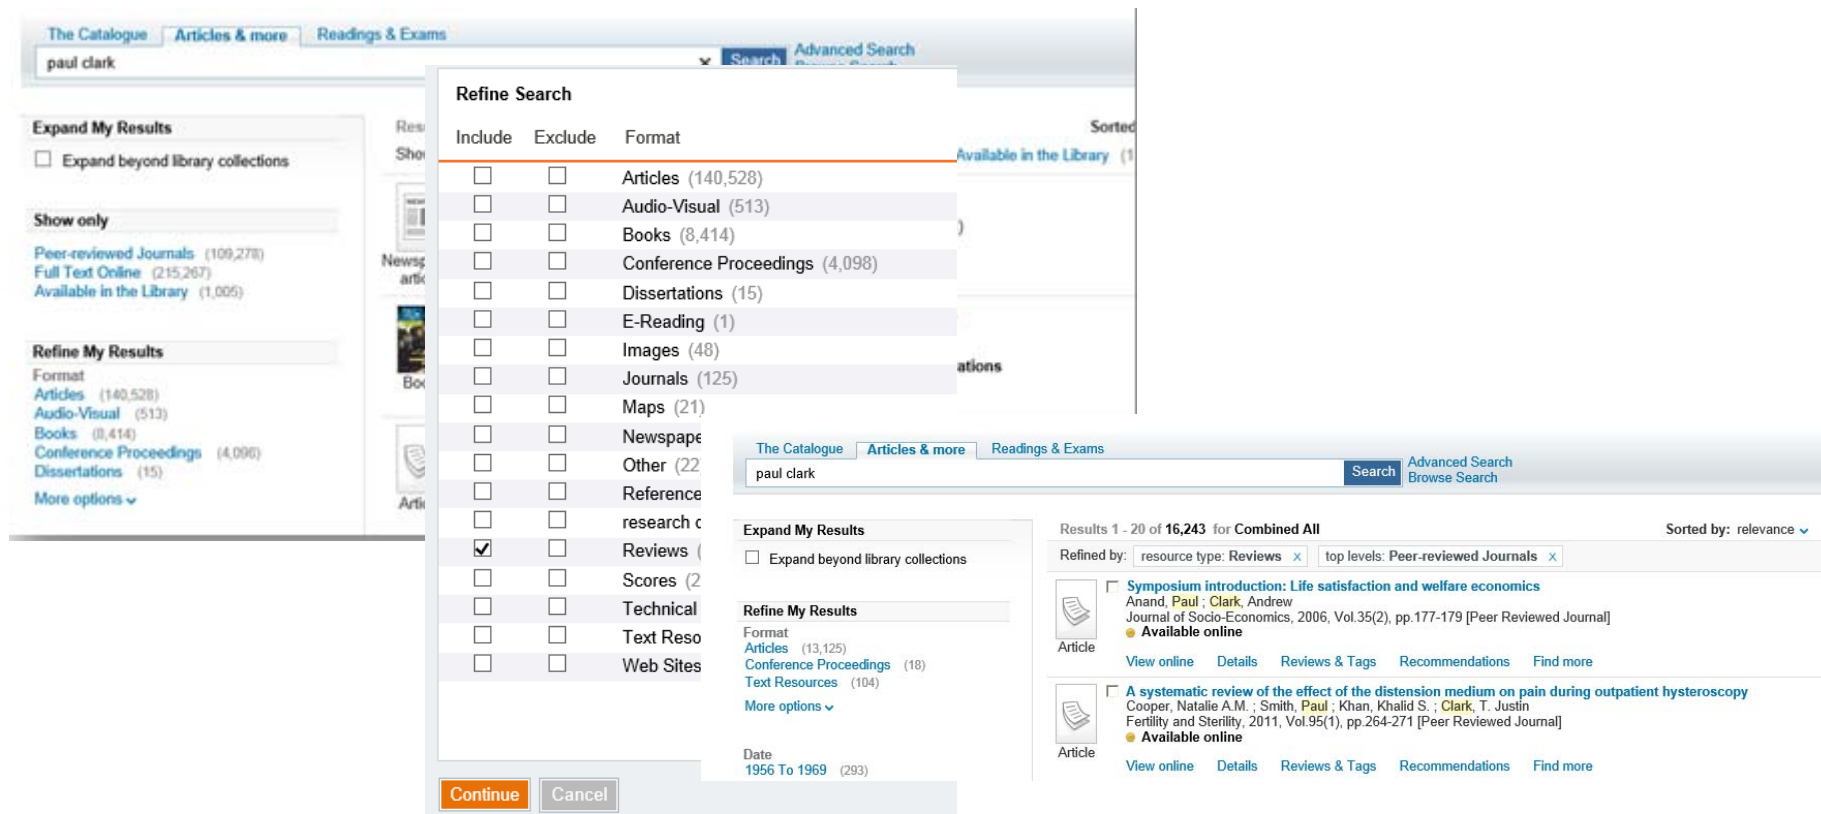

Book reviews are an important  
resource

but....

.....who knows about  
them?

# Current path to Book Reviews via Primo

The screenshot displays the Primo search interface. At the top, there are navigation tabs: "The Catalogue", "Articles & more", and "Readings & Exams". A search bar contains the text "paul clark". Below the search bar, there are options for "Search" and "Advanced Search".

A "Refine Search" dialog box is open, showing a table of resource types with checkboxes for "Include" and "Exclude". The "Format" column lists various resource types with their respective counts:

# Our plan....

## Why use the EBSCOHost API for proof of concept?

- Familiar with the API
- Lessons learned directly applicable to other sources e.g. Primo Central
- Start with one data source
