

ANZREG

Australia & New Zealand Regional Ex Libris Group

International Group of Ex Libris Users (IGeLU)

Fiona Burton

IGeLU Steering Committee member

Why would you join IGeLU?

- Participation in enhancement voting for Ex Libris products
- Product Working Groups (PWG) for each product can regularly talk with Ex Libris Product Managers about product issues
- Voting for enhancements are only allowed for IGeLU institutions (or ELUNA for North American institutions)
- Discounted conference attendance

What are my goals for ANZREG in IGeLU?

- In my role on the Steering Committee, I can't be seen to just represent ANZREG, but:
 - I try to get an ANZREG representative on each PWG as places become available
 - Act as a channel to push ANZREG issues with the Steering Committee, and thus onto Ex Libris

IGeLU Conference 2012

- The 2012 conference will be held at the **Swiss Federal Institute of Technology, Zurich (ETH Zurich), 11th – 13th September.**
