

IGeLU is a non-profit organisation, with its official headquarters based at the University of Siena, Italy. It is a volunteer organisation, and we rely on active participants from member institutions, willing to give their time to keep IGeLU running.

IGeLU Activities

- Product Development Collaboration Agreement
- Product Working Groups (ALMA, Primo, etc)
- Special Interest Groups (Linked Open Data, Interoperability)
- Annual Conference (2015 Budapest)
- Enhancing the NERS enhancement system

IGeLU Activities

- Steering Committee Face-to-Face Meetings directly with Matti, CEO Ex Libris in March 2015 and again at the Annual Conference in September, 2015
- Work with ELUNA (Ex Libris User's North America) and the 30 other independent National and Regional User Groups
- Run the NERS enhancement process
- Annual Conference (Budapest 2015)

IGeLU Activities - Product Development Collaboration Agreement

- moving Aleph to a joint ELUNA/IGeLU voting cycle
- formalizing development capacity for user enhancements across all products (except DigiTool, Rosetta, Ustat, and Verde)
- introducing an Alma enhancement process
- determining the enhancement cycle schedule for products
- updating the Central Knowledge Bases enhancement agreements
- defining the Primo Central Index enhancement process and a redesigned Primo software enhancement process

IGeLU Activities - 10th IGeLU Conference

- conference starts Wednesday, September 2nd and ends Friday, September 4th
- There will be a technical seminar on the Saturday 5th
- The venue of the conference is kindly offered by the Budapest University of Technology and Economics, a very new building located near the Danube River.
