# LEGANTO IMPLEMENTATION AT UNSW

---

Pilot began Semester 1 2016

Rollout in Semester 1 2017

Semester 2 2018 for UNSW Sydney:

- 2021 courses from CMS (Moodle)
- 270 published Reading Lists

Self service by academics

# LEGANTO AT UNSW

## I want to ...

- create a dynamic course resources list  *for you or someone else - items can be online, print, digitised ...*
- request digitised print items  *UNSW mandated - tag items with **Digitise** in Leganto*
- request an item for purchase  *add items not held by the Library to your Leganto list*
- use a list for more than one course  *Leganto can help - talk to your Outreach Librarian*
- create and manage lists for multiple courses  *Leganto can help - talk to your Outreach Librarian*
- curate library resources and freely available content  *collect items you discover in Leganto's **My Collection***
- encourage student engagement with course content  *view how students engage with your Leganto list*
- embed links to resources in course content  *Leganto is not the solution - talk to your Outreach Librarian*
- explore other ways of using Leganto  *Talk to your Outreach Librarian*

We can help you work with Leganto to meet your teaching needs

# COURSE LOADING AT UNSW

---

## Alma Course Loader job

- use the same course feed as CMS (Moodle)
- course feed available daily
- shell script transforms courses to Alma Course CSV file
- Alma Course Loader Job runs at 8 AM daily

Courses updated daily until end of semester

Courses without reading lists deleted from Alma

# COURSE ROLLOVER AT UNSW

---

Alma Course Loader Rollover isn't applicable:

- No mapping between old and new semester's courses

Workaround:

- Duplicate list
- Associate duplicated list to new Course
- Issues: Permalinks, LTI links to readinglist/section/citation, Copyright

Leganto Instructor Rollover

- Delivered in Alma/Leganto August 2018 release
- UNSW Library enabled on 27 November 2018
- Aligned with UNSW Moodle course rollover by instructor

# UNSW INSTRUCTOR ROLLOVER CONFIGS

Alma Fulfillment Configuration > Leganto > Customer Settings:

**rollover = true**

Rollover Options	Default Option	Visible to Instructors?
Citation statuses	Copy	No
Copyright	Recalculate	No

Instructor-Library tags	Copy	No
Library-Internal tags	Copy	No
List and section dates	Reset	No
Move Permalinks	Yes	No
Public note	Copy	No
Public tags	Copy	No
Reading list collaborators	Reset	No
Reading list status	RolledOver	No
Student discussions	Reset	No

The screenshot shows a course page titled "ARTS2040-Global Literatures- 2017 S2". A dropdown menu is open, displaying several options. Two options are highlighted with yellow boxes: "Copy and keep list" and "Re-use list for new teaching period". Red arrows point from these highlighted options to red boxes labeled "Duplicate List" and "Roll over List" respectively. Other options in the menu include "Unpublish", "Order Citations in All Sections", "Lock", "Manage course association", "Save list structure as a template", "Configure list discussions", "Permalink", and "LTI Direct Access".

# SELECTING THE ROLL OVER OPTION

Users are prompted with the course selection page

The image displays two overlapping screenshots of a 'Roll Over' interface. The top screenshot is labeled 'Librarian View' and shows a dropdown menu for selecting a course to roll over. The bottom screenshot is labeled 'Instructor View' and shows the configuration options for the roll-over process.

## ISSUES FOUND

SF Case 622058: Leganto Instructor Rollover - Configurations in Alma 'Instructor Rollover Operations' Mapping Table does not work for librarians.

[Pending release for Feb 2019]

# THREE IDEAS

9  
votes

Vote

## Leganto Instructor Rollover - Allow citation "Additional Resource Information" to be copied to the rolled over list

As library staff, I would like the "Additional Resource Information" for Citations to be copied to the rolled over list, so that I can keep the additional sources for the citation (in addition to the source in the Resource Information area) I manually added to citations in the original list.

Current Behaviour:

1. Rollover the list
2. Find out which Citations have Additional Resource Information

10  
votes

Vote

## Leganto Instructor Rollover - Allow Library Internal Notes to be copied to the rolled over list

As library staff, I would like the Library Internal Notes to be copied to the rolled over list, so that I can keep the information I recorded in original list.

Internal Notes for a Citation or a Reading List may include:

- special copyright/license information,
- special considerations/actions

Vote

## Leganto Instructor Rollover - Relocate "Roll Over List" to appear next to "SEND LIST" button

As Library staff, I would like the Roll Over List button to be placed at a more obvious spot in Leganto, so instructors can easily find the button and Rollover their Lists with fewer clicks.

UNSW Library will enable the Leganto Course Instructor Rollover in November 2018. We want instructors to use this feature, and not be confused with the Duplicate List option.
